The debtor found it impossible to continue under the drought conditions which existed in that part of the Province almost continually and eventually lost everything moving from this locality in 1934. His wife fell heir to a small amount of money with which they endeavoured to re-establish themselves in another part of the Province but were again unsuccessful so by 1936 he had again moved and was at that time renting a farm. All trace of this debtor has since been lost and his present whereabouts are unknown.

The land quoted above was allowed to revert to the taxing authorities under the provisions of the Tax Recovery Act but due to its location in one of the dry parts of the Province it was impossible to effect a sale and the property was eventually transferred to the Department of Lands and Mines for administration. The land remained under the jurisdiction of that Department whose policy it is to hold land so situated available for lease only and due to this property being located in one of the dry parts of the Province only an insignificant sum is realized by way of rentals insufficient to provide for any recovery on these advances.

As there is now no possibility of obtaining repayment under the personal covenant and as no security remains, I would recommend that the balance outstanding be written off and the liens discharged.

Yours very truly,

L. McHenry.

said w[illegible] debtor was situated within the dry part of the Province [illegible] unable to succeed in his farming operations eventually [illegible] above land by tax recovery action taken by the Province.

[illegible] Province held this land available for sale for a number of years [illegible] no sale determined due to its location in an

arid region, the property was eventually transferred to the Department of Land and Mines for administration. The policy of that Department is to hold such land available for lease for grazing purposes only at a nominal rental insufficient to provide for any recovery on those advances, the returns from the land for a number of years being barely sufficient to provide the necessary services.

The debtor apparently hoped to better himself by moving to what he considered a more favorable territory and moved from this locality a number of years ago, his present whereabouts being unknown.

As there is now no possibility of obtaining repayment under the personal covenant and as no security of value remains, I would recommend that the balance outstanding be written off.

Provincial Seed Grain Advances of four hundred and two dollars and seventy-one cents ($402.71) have already been cancelled.

Yours very truly,

W. Burtenshaw.

OTTAWA. 24th September, 1929.

Sir,-

S.E. ¼ Sec. 16 Tp. 11 Rge. 19 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Your file 49377.

I beg to acknowledge the receipt of your letter of the 11th ultimo, enclosing a statement executed by Mr. Mike Looman in defence of his pre-emption entry, from which it would appear that he has completed certain residence and thirty acres of cultivation during the present year.

Under the circumstances, it is deemed necessary that a Homestead Inspector investigate, when next in the vicinity of the land, and report what residence, cultivation and other improvements have been completed by the entrant subsequent to earning title to his adjoining homestead.

Kindly issue the necessary instructions and hold the cancellation proceedings ~~in abeyance~~ in abeyance pending the receipt of the Inspector's report.

Pre-emption - Mike Looman
Entry granted - 15th July, 1909.

Cancellation proceedings were instituted on the 17th November, 1920 on behalf of the Department because of Mr. Looman's failure to apply for patent within the time prescribed.

The defence indicates that Mr. Looman has fulfilled the conditions of residence, but has only about sixty acres under cultivation. He was allowed until the 15th July last within which to complete the cultivation, but has not done so, and now writes as follows stating that he wishes to abandon his pre-emption :-

" In reply to your letter of the 2nd
" August, 1921, I see no way of holding
" my pre-emption for there is but a very
" little crop down there again this year, and
" I can't live down there and support my
" family for work is very scarce up north here
" where the crops are good and wages low, and
" I don't see any use sowing anything down
" there till we get the moisture in the fall."

I recommend cancellation.

I am directed to inform you that it was recently decided that Dominion lands, affected by a charge for seed grain, fodder or other relief liability, may be leased under the grazing regulations without obligation on the part of the lessee to assume payment of the indebtedness, provided however that a clause shall be inserted in the lease empowering the Department to give the lessee one years notice of intention to cancel the lease should circumstances renier that course necessary or advisable.

Under the circumstances the Agent of Dominion Lands at Lethbridge, who is being furnished with a copy of this letter for his information and guidance, will make the half-section above mentioned available for leasing on the foregoing conditions.

Re: S.W.¼ 15-1-13 W.4th M.

Kindly be referred to letter of the 21st March last from W. Loree, Director of the Debt Adjustment Act, wherein he states that on search of title to the land above described same revealed three liens in the name of E.R. Kennedy for the sums of $127.55, $167.05 and $127.50.

In this connection there is no evidence on file that the above stated amounts were ever given on the security of the land above mentioned. It appears that one E.R. Kennedy received from the Department in 1915 on the security of the N.E.¼ 21 & N.W.¼ 22-1-13 W.4th M. Seed Grain for $127.50 and Fodder and Relief, $167.00. It is presumed that these are the same amounts which are wrongfully registered against the S.W.¼ 15-1-13 W.4th M. which, however, were paid in full and discharge issued as per letter directed to the Registrar, Calgary, under date of the 20th December, 1917.

The matter is, therefore, referred to you for further action.

Dear Sirs:

I homesteaded in Alberta commencing in the fall of 1905 and if I remember ~~correctly~~ correctly the description of the homestead was the S E quarter section 28, township 38, range 16 west of the 4th meridian, about 2 or 3 miles S E of Dora P O .

What I wish you would let me know is, if there was any age shown on the filing papers for my homestead when I first took the papers for the above land, or if no age was shown on the filing papers was there any age shown when I proved up on the place or when I received title to the land. In other words please let me know if there was any record of either my birth date or age in connection with this homestead as this information is required as further proof of my age for the Railway Pension Board here

Please let me have this information as soon as possible and if there is any charge for making the search let me know the amount and I will send it to you immediately.

DOMINION LANDS ADMINISTRATION

Reply to - A.D.L., Calgary,
Ref.- 62784.

OTTAWA, 21st July, 1928.

Sir,-

N.E. ¼ of Sec. 10 Tp. 33 Rge. 2 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Wm. Worden Calloway, Esq.,
Altario,
Alberta.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.
